# Needs Assessment

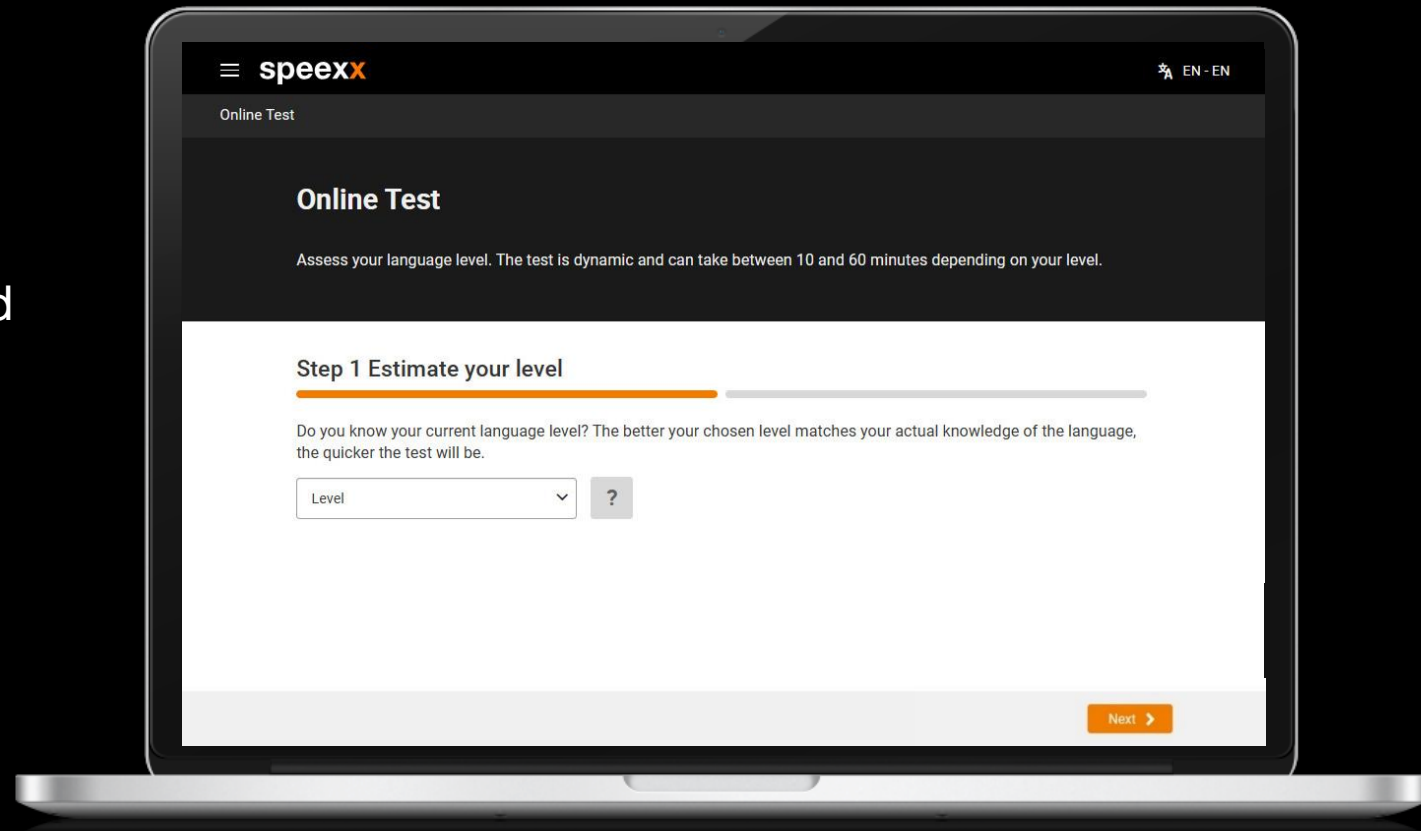

- ✓ Filling in the survey at the beginning will help our AI understand and weigh in on your goals for the course.
- ✓ A smart algorithm matches content for **Essentials for you.**

# Initial Test

Step 1 Estimate your level

speeXX

- ✓ The test will determine your current language level based on your own estimation.
- ✓ The test is a progressive assessment and can take up to 60 minutes to complete.
- ✓ You can stop the test and return later if required.
- ✓ Complete the test and start with your language training.

# Initial Test

Step 1 Estimate your level

speexx

✓ To select estimate your level on list of menu dropdown

The image shows a laptop displaying the Speexx online test interface. The main screen is titled "Online Test" and "Step 1 Estimate your level". It asks the user "Do you know your current language level? The better you know your level, the quicker the test will be." Below this is a dropdown menu labeled "Level" with a question mark icon to its right. The dropdown menu is open, showing the following options: "Beginner", "A1 Beginner", "A2 Advanced beginner", "B1 Intermediate", "B2 Advanced intermediate", "C1 Advanced", "C2 Akin to native speaker", and "Unknown". An orange arrow points to the question mark icon. To the right of the laptop, a "CEFR Global Scale" overlay is visible, providing detailed descriptions for levels A1, A2, B1, B2, C1, and C2. The overlay includes the text: "The level descriptors help you estimate your language level." and "I can understand and use familiar everyday expressions and very basic phrases aimed at the satisfaction of needs of a concrete type. I can introduce myself and others. I can ask and answer questions about personal details such as where I live, people I know and things I have. I can interact in a simple way provided the other person talks slowly and clearly and is prepared to help." for A1, and similar descriptions for other levels. A "Next" button is visible at the bottom right of the laptop screen.

**CEFR Global Scale**  
The level descriptors help you estimate your language level.

**A1**  
I can understand and use familiar everyday expressions and very basic phrases aimed at the satisfaction of needs of a concrete type. I can introduce myself and others. I can ask and answer questions about personal details such as where I live, people I know and things I have. I can interact in a simple way provided the other person talks slowly and clearly and is prepared to help.

**A2**  
I can understand sentences and frequently used expressions related to areas of most immediate relevance (e.g. very basic personal and family information, shopping, local geography, employment). I can communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar and routine matters. I can describe in simple terms aspects of my background, immediate environment and matters in areas of immediate need.

**B1**  
I can understand the main points of clear standard input on familiar matters regularly encountered in work, school, leisure, etc. I can deal with most situations likely to arise whilst travelling in an area where the language is spoken. I can produce simple connected text on topics which are familiar or of personal interest. I can describe experiences and events, dreams, hopes & ambitions and briefly give reasons and explanations for opinions and plans.

**B2**  
I can understand the main ideas of complex text on both concrete and abstract topics, including technical discussions in my field of specialisation. I can interact with a degree of fluency and spontaneity that makes regular interaction with native speakers quite possible without strain for either party. I can produce clear, detailed text on a wide range of subjects and explain a viewpoint on a topical issue giving the advantages and disadvantages of various options.

**C1**  
I can understand a wide range of demanding, longer texts, and recognise implicit meaning. I can express myself fluently and spontaneously without much obvious searching for expressions. I can use language flexibly and effectively for social, academic and professional purposes. I can produce clear, well-structured, detailed text on complex subjects, showing controlled use of organisational patterns, connectors and cohesive devices.

**C2**  
I can understand with ease virtually everything heard or read. I can summarise information from different spoken and written sources, reconstructing arguments and accounts in a coherent presentation. I can express myself spontaneously, very fluently and precisely, differentiating finer shades of meaning even in more complex situations.

The screenshot shows the SpeeXX interface with a grammar exercise titled "Leaving the airport". The exercise asks to complete sentences by inserting the correct object pronoun. A table of object pronouns is provided:

Subject	me
I	me
you	you
he/she/it	him/her/it
we	us
you	you
they	them

The exercise text includes: "Create the sentences by inserting the correct object pronoun.", "Close, but should be the upper case", "Can you tell us the time? (we)", and "Is this ticket for ? (I)". A "Grammar" button is highlighted with an orange circle. A "Correction" button is also highlighted with an orange circle. A "Next >" button is highlighted with an orange circle. A "Help" icon (question mark) is also highlighted with an orange circle. A "Very good!" message is visible at the bottom left.

1. Choose language combination (Interface language)
2. Click on "Help" to read a quick user guide
3. Click on "Grammar" for grammar explanation.
4. Click on "Correction" to correct the exercise with a result. Click on an incorrect answer and e-Coaching will display hints to help you solve an error.
5. Click on "Next" to go to the next exercise page.

The screenshot shows the e-Coaching window for the word "time". The text "The ticket is for you" is at the top. Below it, the sentence "Can you tell us the time? (we)" is shown. The word "time" is highlighted with a star icon. A dropdown menu is open, showing the word "time" with a star icon, and the language selection "US > UK". Below the dropdown, there is a list of Thai translations: "เวลา, ช่วงเวลา; (all the ~) ตลอดเวลา; (free ~) เวลาว่าง; (in ~ to do sth) ้นเวลาที่จะทำบางสิ่งบางอย่าง; (be (about) ~ to do sth) สิ่งเวลาที่ต้องทำบางอย่าง".

6. Right click on a word to see the translation and listen to a native speaker (male/female & American/British)
