

Mahidol University Announcement
Application for Admission to
Bachelor of Science Programme in Actuarial Science (International Programme) and
Bachelor of Science Programme in Industrial Mathematics and Data Science
(International Programme)
Faculty of Science, Mahidol University
Academic Year 2020 (Third Round)

The Faculty of Science, Mahidol University is accepting applications for enrollment and will hold an entrance examination to select students to be enrolled in the Bachelor of Science Programme in Actuarial Science (International Programme) and Bachelor of Science Programme in Industrial Mathematics and Data Science (International Programme) for the academic year 2020 (third round) as detailed below.

1. Application Period

The application filing period for the academic year 2020 (third round) admission opens June 3, 2020, and closes June 17, 2020. The online application is available at <http://mathematics.sc.mahidol.ac.th/>.

2. Application Details

2.1. Applicants must meet the following requirements.

2.1.1. The applicant must earn a 12-year secondary education diploma (or equivalent) approved by the Ministry of Education of Thailand, by the time of enrollment into the Programme.

Certificate Equivalent to 12-year secondary education diploma

a) An applicant who submits IGCSE must have

- IGCSE, GCSE or GCE "O" level with at least 5 different subjects and a minimum grade of C in each subject, or

- GCE “AS” level or GCE “A” level with at least 3 different subjects and a minimum grade of C in each subject.

b) An applicant who submits GED must pass 4 subjects with a minimum of 145 points in each subject.

2.1.2. As a precautionary measure against the coronavirus outbreak, there will be no written examination. The applicant must pass an online interview. The Programme Committee will select applicants based on the applicants' qualifications, suitability from submitted evidence, and the performance in the online interview.

2.1.3. The applicant must not have a contagious disease or serious illness or unsound mind which would be detrimental to his/her study.

2.1.4. The applicant must be hard-working, well-behaved with good manners.

2.1.5. It is the discretion of the Programme Committee to make the final decision in cases where the above conditions are not met.

2.2. Application Instructions

2.2.1. Prepare the following application documents. All required documents must be scanned in electronic format (.jpg or .pdf with size less than 2MB) and uploaded before the application deadline.

- a) Two one-inch photographs in school uniform or formal dress.
- b) Official academic transcript:

An applicant currently completing his/her study in secondary education will need to submit/upload an interim transcript of his/her courses/results so far. The applicant will later need to submit the final official transcript by the time of enrollment into the Programme.

An applicant completed and graduated from his/her study in secondary education will need to submit/upload the final official transcript.

- c) A personal statement giving plans of study and career (approximately 100 to 150 words).
- d) A recommendation letter from a teacher or advisor.
- e) A photocopy of the student identification card or passport.
- f) A photocopy of the student's house registration. (if an applicant resides in Thailand)
- g) Test score (if any):

/g) Test score...

- Actuarial Science Programme: 500 TOEFL (PBT) or 173 (CBT) or 61 (IBT), 6.0 IELTS within 2 years of the application date.
- Industrial Mathematics and Data Science Programme: 6.0 IELTS, MU-TEST \geq 45, SAT 400 within 2 years of the application date.

h) Evidence of application fee, i.e. payment slip from the bank.

2.2.2. Submit the application and application documents online at <http://mathematics.sc.mahidol.ac.th/>.

2.2.3. Applicants must also submit all documents and the pay-in-slip for application fee in 2.3 for application in person or mail. All photocopies must be signed as certified true copies. Due to the coronavirus outbreak, the applicants will be informed about the deadline of applicant documents submission later.

2.2.4. After applying, an applicant who wishes to make an amendment must contact Khun Natthawooth Siangdee, the Department of Mathematics, Faculty of Science, Mahidol University, 272 Rama VI, Ratchathewi, Bangkok by email, pakin.sia@mahidol.edu, or telephone +66 (0) 2201 5340.

2.3 Application fees

An application fee of 1,000 baht for each applicant is to be paid by transferring the fee into the bank account named "ACTUARIAL SCIENCE", account number 026-4-46748-4, the Siam Commercial Bank, Ramathibodi Branch, with the evidence of the transfer included in the application package as described in the application deadline.
