ปัญหาที่พบ

The screenshot shows the SAP 'Display Internal Order: Initial screen'. The main window has a menu bar (Order, Edit, Goto, Extras, Environment, System, Help) and a toolbar. Below the menu bar is a 'Master Data' section. The main area is labeled 'Order' and contains a yellow input field. A red speech bubble points to this field with the text 'เมื่อกดปุ่มนี้แล้ว' (After clicking this button). At the bottom left, an 'Information' bar displays a message: 'You are not authorized to use Transaction COOIS'. A red speech bubble points to this message with the text 'พบ error แบบนี้' (Found this error). On the right side, a 'Selection of Input Help' dialog box is open, showing a list of search options. The first option, 'Search by controlling area / processing group', is highlighted with a red box. The second option, 'Search by controlling area / order type', is also highlighted with a red box. The third option, 'Prod. Orders for the Source Order (Trigger ...)', is checked with a green checkmark. The dialog box has a 'Choose' button at the top and a 'Hot key' button at the bottom right.

The screenshot shows the SAP 'Display Internal Order: Initial screen'. The interface includes a menu bar (Order, Edit, Goto, Extras, Environment, System, Help) and a toolbar. The main area is titled 'Display Internal Order: Initial screen' and contains a 'Master Data' section. On the left, there is an 'Order' field with a yellow highlight and a red callout bubble pointing to it. On the right, there is a 'Server Number (1)' tab, which is circled in red and has a red callout bubble pointing to it. Below the tab, there are search options: 'Search by controlling area / processing group' (circled in red) and 'Search by controlling area / ord...'. The search criteria include 'Controlling Area' (set to 1000), 'Processing group', 'Order Type', 'Order', 'Description', and 'Maximum No. of Hits' (set to 500). A red callout bubble points to the 'Order' field in the search criteria. At the bottom right, there are three icons: a green checkmark, a red X, and a blue question mark.
