

# SAWASDEE THAILAND HELLO THAILAND

Thailand is one of the world's top travel destinations, and it is not difficult to see why! People come from all around the world for adventurous experiences, relaxing vacations, superb hospitality and, of course, famous cuisine. These are only the tip of the iceberg, with many more activities and perspectives waiting to be discovered as an insider. Your Tom Yam Kung back home will never taste the same once you join the Sawasdee Thailand Summer Program!

Experiencing different cultures and learning about different points of view helps us not only to better understand others, but also to find out more about ourselves; seeing your decision making, perseverance, flexibility, and adaptability in a new setting and environment. Our unique summer program is designed to expand your horizons and ignite new ideas under the concept of "Global Citizenship".

## Highlights

- A chance to learn from the best of old and new: The oldest higher education institution in Thailand. Since our establishment in 1888 as Thailand's first medical college; we have expanded to offer a wide range of disciplines, covering advanced technology in health sciences, science and technology, and even music.
- Ideal campus for living and learning: A natural and evergreen environment. As the most eco-friendly university in Thailand, we care about efficient energy usage, waste & water management, green open spaces, cycling lanes and a pedestrianized landscape.
- Weekend trip and cultural activities: Experience Thai culture through Thai cooking class, Thai dancing class, Thai boxing, and more.
- Strong collaboration with the public and private sector: Our networks give you opportunities to visit places not open to tourists.
- Strong support from your arrival: Don't worry about anything. Airport pick up & drop off, student buddy system, on campus facilities, and on campus health service. Our staff and students are gracious hosts who will make you feel Welcome and comfortable.
