Mahidol University Welcomed the Embassy of the United States of America

On 7th February 2022, **Associate Professor Dr. Walasinee Sakcamduang**, Dean of the Faculty of Veterinary Science, Mahidol University with the faculty executives and staff members welcomed **Mr. Evan Fox**, Economic Officer, Embassy of the United States of America in Bangkok along with other delegates from the Embassy and the Armed Forces Research Institute of Medical Sciences, to discuss the OIE (The World Organization for Animal Health, formerly the Office International des Epizooties) Twinning Laboratory Project and other potential areas for collaboration. The hybrid meeting also included online participation by **Dr. Jonathan Sleeman** (Director of the USGS-National Wildlife Health Center) and U.S. Embassy staff members.

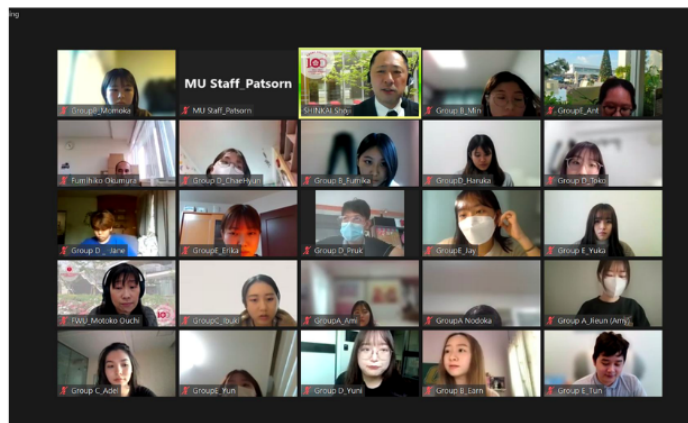

Mahidol University signed MOU with Teikyo University

On 15th February 2022, **Professor Banchong Mahaisavariya**, President of Mahidol University signed the Memorandum of Understanding (MOU) with **Professor Dr. Yoshiharu Fukuda**, Dean of Teikyo University Graduate School of Public Health, Teikyo University, Japan. **Associate Professor Dr. Phudit Tejavaddhana**, Director of ASEAN Institute for Health Development (AIHD), Mahidol University and **Professor Dr. Yoshinori Nakata**, Director of Global Office, Teikyo University also attended as witnesses, along with AIHD administrators via Zoom. This MOU signing ceremony is for the academic collaboration between AIHD and Teikyo University Graduate School of Public Health. Through this MOU, the two institutions will foster collaboration of academics, research projects, and the exchange of academics, supporting staff, and students at the international level.

Online EAT 2022 Successfully Completed the Two-day Program

On the 9th and 16th of February 2022, the Online EAT or "East Asian Tales of Food" 2022 program was held for two days. EAT is an international program focusing on exchanging knowledge and experiences about Asian food and culture. This is the second time this program has been held online due to the pandemic and this program is jointly hosted by Fukuoka Women's University (Japan), Ewha Woman's University (South Korea) and Mahidol University (Thailand). Topics of discussion and presentations included Traditional Alcohol, School Lunch, Table Settings & Manners, etc. A total of 30 students participated, 10 from each university.
