Visit of the delegation from Sciences Po, France

On 10th June 2022, Assoc. Prof. Nopraenue Sajjarax Dhirathiti, Vice President for International Relations and Corporate Communication warmly welcomed representatives from Sciences Po, Mr. Etienne Cazin, Director for Asia and Mr. Alexandre Mariani, International Affairs Manager for China and South East Asia.

This visit was intended to discuss future collaboration and student exchange programs between Mahidol University and Sciences Po. In this connection, Asst. Prof. Dr. Alexander Nanni, Associate Dean of International Affairs, Mahidol University International College (MUIC), also attended the meeting to discuss the possible academic collaboration.

On-site launch of Sawasdee Thailand Program in 2022

The Sawasdee Thailand Summer Program 2022 re-opened on-site after a two-year hiatus. The Sawasdee Thailand Program 2022 combines academic programming with cultural activities over the course of two weeks in Bangkok or Phuket, Thailand, depending on the batch.

On 1st June 2022, Assoc. Prof. Dr. Nopraenue Sajjarax Dhirathiti, Vice President for International Relations and Corporate Communication, delivered the opening remarks, and Dr. Kaewta Muangasame, Program Mentor from Mahidol University International College (MUIC), presented the program to the students.

A total of 39 participants attended the Batch 1 program from the National University of Singapore, the University of Hong Kong and Mahidol University. Information about the up-coming two batches is available at: <https://op.mahidol.ac.th/ir/summer-2022>

MUIC kicks off new course for entrepreneurs & company executives

On 26th May 2022, Prof. Chulathida Chomchai, M.D., Dean, Mahidol University International College (MUIC) together with the College's executives attended the seminar "Challenge and Learning into a New Era of Business Entrepreneur" at the Bangkok Marriott Marquis Queen's Park.

The Academic Services Group of MUIC has partnered with Pan Pho Co., Ltd. to offer the "Business Owners and Leaders Development" course, which is designed specifically for young entrepreneurs, second-generation family businesses, and corporate executives. The course is designed as a learning space for business owners and executives who want to advance their careers and become better leaders in a changing world. It combines theoretical and practical knowledge and is delivered by successful speakers, experts, and leaders.
