For Thai applicants

ICT Instructor Took the Role of Panelist in the "Resilience Mindset for Future University"

On 21st September 2022, **Assist. Prof. Dr. Srisupa Palakvangsa Na Ayudhya**, an instructor at the Faculty of Information and Communication Technology, served as a panelist in the virtual panel discussion, Digital University: enabling the smart society "Resilience Mindset for Future University".

The virtual panel discussion, Digital University: enabling the smart society aims to raise awareness about how to get ready for the university's digital transformation and link to various industries. Additionally, it is in line with the Ministry of Higher Education, Science, Research and Innovation's Policy and Strategy of Workforce Development in Higher Education 2021–2027 on Digitalization for Educational and Learning Reform. The Knowledge Network Institute of Thailand organized the event, which was broadcasted live on Facebook.

Wreath Laying Ceremony on Mahidol Day

On 24th September 2022, Mahidol University organized a wreath-laying ceremony to honor H.R.H. Prince Mahidol of Songkla, the University namesake and the Father of Medicine and Public Health of Thailand. **Prof. Banchong Mahisavariya**, President of Mahidol University presided over the ceremony together with representatives from all departments of Mahidol University. On this occasion, external agencies also attended the wreath-laying ceremony to pay homage to the royal monument of Prince Mahidol at the Royal Monument Square, Mahidol Learning Center, Mahidol University, Salaya campus.

Mahidol University Officially Launched the International Affairs Office

On 5th October 2022, Mahidol University officially launched the International Affairs Office (IAO) on the ground floor, the Office of the President Building. **Assoc. Prof. Nopraenue Sajjarax Dhirathiti**, Vice President for International Relations and Corporate Communication, gave a report, and **Assoc. Prof. Dr. Chuthamane Suthisisang**, Vice President, delivered an opening speech at the opening ceremony. Featuring at the ceremony were a sharing session by the representatives of Mahidol University's international staff and a brief office visit by the guests of honor.

IAO was established in accordance with an internationalization strategy in managing the service system and providing assistance to Mahidol University's international staff. The main services cover immigration issues, human resource and welfare management, training programs, and complaint resolutions.
