Issue#58 December 2022
Volume 2

The visit of President of Nagasaki University

On 19th December 2022, **Prof. Banchong Mahaisavariya**, President of Mahidol University, together with **Assoc. Prof. Dr. Nopraenu Sajjarax Dhirathiti**, Vice President for International Relations and Corporate Communication welcomed **Prof. KOHNO Shigeru**, President and the delegation from Nagasaki University. Also joined in the session was **Prof. Kesinee Chotivanich**, Deputy Dean for International Relations, Faculty of Tropical Medicine. The purpose of the visit was for Prof. KOHNO Shigeru to discuss future areas of collaboration such as Dentistry, Science and Pharmacy. Prior to the meeting, the group was able to take a tour of the Salaya Campus.

The visit of Hong Kong Polytechnic University

On 22nd December 2022, **Assoc. Prof. Dr. Nopraenu Sajjarax Dhirathiti**, Vice President for International Relations and Corporate Communication, welcomed **Prof. Ben Young**, Vice President for Student and Global Affairs, along with the delegation from Hong Kong Polytechnic University.

The purpose of the visit was to follow up on the progress of the Service Agreement between the two institutions and discuss the collaboration on dual degree program, student exchange, and research in the area of Business, Engineering, Health Science, and Social Science.

The academic lecture by a Visiting Professor of the Faculty of Pharmacy

On 13th and 19th December 2022, the Department of Pharmacy, Faculty of Pharmacy, in collaboration with the International Relations Unit, arranged the academic lecture delivered by **Prof. Dr. Yuichi Sugiyama**, a visiting professor from the School of Pharmacy, Laboratory of Quantitative System Pharmacokinetics/Pharmacodynamics, Josai International University, Japan on the topic "*Molecular Pharmacokinetics: The Principle and Micro-dosing and Application.*"

Faculty of Pharmacy was the grantee's host affiliate for Short-term Visiting Scholars to Work at Mahidol University for the fiscal year 2023. The lecture, attended by more than 100 graduate students, faculty members, and researchers (online and on-site), was therefore considered as a part of the academic schedule of **Prof. Dr. Yuichi Sugiyama** as a visiting professor at the Division of Pharmaceutical Technology from 7th December 2022 to 15th January 2023.
