Prof. Nopraenue Sajjarax Dhirathiti**, Vice President for International Relations and Corporate Communication, along with executives and delegates from the Faculty of Medicine Siriraj Hospital, Faculty of Medicine Ramathibodi Hospital, Faculty of Environment and Resource Studies, Faculty of Information and Communication Technology, Faculty of Engineering, Faculty of Public Health, Institute of Nutrition, and College of Management, officially visited universities in Switzerland and Netherlands, including Zurich University of Applied Sciences, ETH Zurich, University of Lausanne, University of Groningen, Maastricht University, Erasmus University Rotterdam, and Leiden University. The visit aimed to strengthen academic and research collaboration, student and staff mobility, as well as double degree programs development.

Exploring Kanchanaburi: Wisdom, Life, and Animals for Mahidol foreign staff and students

From 15th to 16th May 2023, Mahidol University International Affairs Office (MUIAO), in collaboration with the Mahidol University Students Academic and International Services (MUSAIS), organized the "Exploring Kanchanaburi: Wisdom, Life, and Animals." The participants were warmly welcomed and provided with insightful knowledge about plant taxonomy, indigenous botany, and geology at the Herbarium and Geoscience Museum by **Asst. Prof. Waraporn Threeprom**, Assistant to the Vice President for Kanchanaburi Campus in Innovation and Research, and the team of Kanchanaburi campus.

The objectives of this cultural trip are to visit Mahidol University's Kanchanaburi campus, learn more about Kanchanaburi province, and explore ways to protect elephants, the symbolic animal of Thailand, at the Elephant Haven Thailand. Additionally, the participants generously donated clothes and unused items to underprivileged children at the Dhammanurak Foundation.

International Student Exchange Program Health & Cultural Immersion 2023

Faculty of Public Health selected four undergraduate and graduate students to participate in the International Student Exchange Program Health & Cultural Immersion 2023. The program took place from 8th to 21st May 2023 at the Institute of Technology and Health Bali (ITEKES), Indonesia.

The participating students include three Bachelor's degree students, **Ms. Sasinipha Yuhan**, **Ms. Artitaya Plodhuang**, and **Mr. Weerapol Uraikit** and one Master's degree student, **Ms. Withita Weerawithaya**. This exchange program aims to provide students with valuable opportunities to engage in fieldwork and gain cultural experiences that will enhance their understanding in various areas, such as global and community health in Asia, public health principles, health promotion, and disease prevention.
