**Mahidol University joined the ASEAN University Network
ASEAN+3 Rectors Conference**

On 19th - 20th September 2023, **Assoc. Prof. Nopraenue Sajjarax Dhirathiti**, Vice President for International Relations and Corporate Communication, Mahidol University, joined presidents and executives from ASEAN+3 universities at the "ASEAN University Network ASEAN+3 Rectors' Conference: HEIs Collaborative Framework in Sustaining Innovation and Industry Acceleration Ecosystem" which took place at Universitas Airlangga, Indonesia.

On this occasion, Mahidol University furthered collaboration with various academic and research institutions, which include Chiba University, Tokyo Institute of Technology, Universiti Malaya, and Singapore Management University. The university additionally promoted its international programs to over 7,000 students in Surabaya and re-engaged with more than 400 MU alumni through the Mahidol University Alumni Association in Indonesia.

**MUIR launched
"Basic Thai Conversation Course"**

On 6th September 2023, Mahidol University's International Relations Division (MUIR) and the Centre for Assessment and Academic Services (CAAS), Faculty of Liberal Arts, launched the 3rd batch of the Basic Thai Conversation Course for Mahidol University's foreign staff and students.

The objectives of organizing this course are to promote a greater understanding of Thai society's culture and traditions and to improve the participant's ability to communicate in Thai on a daily basis. The course has 19 foreign staff and students from various faculties participating.

ASEAN Project on "Green Innovation for Sustainable Future"

Mahidol University International Relations Division, in collaboration with Mahidol University Nakhon Sawan Campus (MUNA) and Faculty of Economics and Business (FEB), Universitas Airlangga (UNAIR) organized the ASEAN Project on "Green Innovation for Sustainable Future" in a hybrid format consisting of an online program from 2nd - 4th August 2023 and onsite program from 21st - 25th August 2023 in Thailand.

This unique endeavor brought together 44 enthusiastic undergraduate students from MUNA and UNAIR, fostering cultural exchange and an invaluable learning experience. The students embarked on a remarkable journey of exploration, delving into local businesses and cultural treasures. The program included immersive visits to renowned companies such as Ajinomoto Frozen Thailand Co. Ltd, Ayutthaya Province, various SMEs in Chumsang District, Nakhon Sawan Province, Betagro Food International in Lopburi Province, and the Renim Project in Bangkok. These visits provided a firsthand understanding of local business practices and an insight into sustainability within the Thai context.

In addition to these insightful professional experiences, the program provided opportunities for cultural exchange and building lasting friendships. Thai students warmly welcomed their Indonesian counterparts, sharing their favorite local spots and traditions. This cross-cultural interaction allowed the students to not only learn about each other's cultures but also to forge strong bonds and create lasting memories.
