Mahidol University welcomed executives from the Japan Advanced Institute of Science and Technology

On 1st November 2023, **Prof. Banchong Mahaisavariya**, President, Mahidol University and **Assoc. Prof. Nopraenu Sajjarax Dhirathiti**, Vice President for International Relations and Corporate Communication, welcomed executives from the Japan Advanced Institute of Science and Technology (JAIST), Japan. In this regard, **Assoc. Prof. Dr. Thanapat Wanichanon**, Dean, Faculty of Engineering, accompanied by executives and faculty members from Faculty of Engineering, extended a warm welcome and engaged in discussions on academic collaboration.

This included expanding collaboration in research activities between Faculty of Engineering and Faculty of Information and Communication Technology with JAIST, particularly in the field of Material Science. The collaboration, initially established between the Faculty of Science, Mahidol University, and JAIST, continues to thrive. Additionally, discussions involved student and staff exchange activities, along with exploring collaborations in AI and Media Communication, Medical Media Communication, Computer Chemistry, and Polyactive. These initiatives aim to enhance cooperation with other departments within Mahidol University in the future. The discussions took place at the Office of the President, Mahidol University, Salaya.

Mahidol University discussed academic and research collaboration with representatives from the Australian Embassy in Vietnam and the Australian High Commission in Malaysia

On 22nd November 2023, **Assoc. Prof. Nopraenu Sajjarax Dhirathiti**, Vice President for International Relations and Corporate Communication, welcomed **Ms. Jen Bahen**, Counselor (Education and Research), Australian Embassy in Vietnam **Ms. Fiona Morris**, Counselor (Education and Science), Australian High Commission in Malaysia, along with representatives from the Australian Embassy in Bangkok.

On this occasion, the representatives discussed academic cooperation and joint research for the future. This included funding research internships for young career researchers in ASEAN countries, promoting and developing research collaborations with educational institutions in Australia, and making preparations for the 2024 Asia-Pacific Association for International Education (APAIE 2024) Conference and Exhibition, which will be organized in Perth, Australia, from 4th to 8th March 2024.

Mahidol University discussed academic collaboration with University of Technology Sydney, Australia

On 9th November 2023, **Assoc. Prof. Nopraenu Sajjarax Dhirathiti**, Vice President for International Relations, along with Mahidol University's executive team, welcomed the delegation from the University of Technology Sydney (UTS), including **Distinguished Prof. Alaina Ammit**, Associate Dean (Research) of the Faculty of Science; **Prof. Angela Dawson**, Associate Dean (Research) of the Faculty of Health; **Prof. Eryk Dutkiewicz**, Associate Dean (International) of the Faculty of Engineering and IT; and **Mr. Innes Ireland**, Deputy Director of UTS International. The purpose of the visit was to discuss academic and research collaboration, curriculum development, and foster cooperation by focusing on environmental sciences, health sciences, Artificial Intelligence, and Robotics.
