### Mahidol University Participated in “The 15<sup>th</sup> ASEAN University Network Rectors’ Meeting” and “The 39<sup>th</sup> ASEAN University Network Board of Trustees (AUN-BOT)”

On 18<sup>th</sup>– 19<sup>th</sup> July 2024, **Prof. Piyamitr Sritara**, MD, FRCP, Acting President of Mahidol University, together with **Assoc. Prof. Nopraenu Sajarax Dhirathiti**, Ph.D., Acting Vice President for Global Partnerships and University Council, Mahidol University, participated in The 15<sup>th</sup> ASEAN University Network Rectors’ Meeting, under the theme of “Shaping Our Region & The World: The Force of Universities in Sustainable Development”. The meeting was organized by the ASEAN University Network Secretariat, with the purpose of serving as a platform to exchange opinions, perspectives, and roles of higher education institutions under the ASEAN University Network to enhance the cooperation in both regional and international levels, which is affiliated to the Sustainability Development Goals (SDGs), to meet up with the global challenges in the present world. The opening ceremony was honorably presided over by **Dr. Choltis Dhirathiti**, Executive Director of ASEAN University Network (AUN). The participants included the high-level leaders and representatives of the AUN member universities, with a total of 30 universities from 10 countries around Southeast Asia region, as well as the university administrators worldwide gathered in this event at the Eastin Grand Hotel Phayathai, Bangkok.

### Mahidol University discussed potential academic and research collaborations with the representative from the University of Sussex, the United Kingdom

On 16<sup>th</sup> July 2024, **Assoc. Prof. Nopraenu Sajarax Dhirathiti**, Ph.D., Acting Vice President for Global Partnerships and University Council, Mahidol University, extended a warm welcome to **Mrs. Louise Turton**, Global Partnerships Manager (Global Engagement), University of Sussex, the United Kingdom. The purpose of this visit was to discuss potential academic and research collaborations with Mahidol University, including the collaboration in Articulation Degrees in Biomedical Science and Bioinnovation with the Faculty of Science, and the cooperation on clinical elective courses for medical student with the Faculty of Medicine Ramathibodi Hospital. In addition, the discussion also explored collaboration opportunities of the two institutions on the Cotutelle and Joint Supervision Programs, the exchange of student and academic staff, and research collaboration in the fields of mutual interest. This meeting took place at the 308 Room, 3<sup>rd</sup> Floor, Office of the President, Mahidol University, Salaya Campus.

On this occasion, **Dr. Rapee Boonplueang**, Deputy Dean for Corporate Communication and International Relations, Faculty of Science, **Assoc. Prof. Dr. Wattana Weerachatanukul**, Deputy Dean for Educational Innovation and Salaya Campus, Faculty of Science, **Assoc. Prof. Dr. Donniphat Dejsuphong**, M.D., Program in Translational Medicine, Faculty of Medicine Ramathibodi Hospital, followed by faculty members and staff of Mahidol University, also welcomed and led the representative from the University of Sussex, the United Kingdom, to visit the departments of each faculties.

### "Sustainable Development Goals + Mobility Mahidol University Projects (SDGs MaPs)", co-hosted by Mahidol University and the College of Alice and Peter Tan (CAPT), National University of Singapore

On 14<sup>th</sup> - 19<sup>th</sup> July 2024, Mahidol University, in collaboration with the College of Alice and Peter Tan (CAPT) at the National University of Singapore, co-hosted the "Sustainable Development Goals + Mobility Mahidol University Projects (SDGs MaPs)", a project aimed at supporting the creation of sustainable change in alignment with the concept of Sustainable Development Goals (SDGs) between Mahidol University and universities in ASEAN member countries.

The project engaged an energetic group of 31 students from Mahidol University, along with representatives from Kasetsart University and Chiang Mai University, under the guidance project advisor **Dr. Acharee Kaewlaoyong** Lecturer, Mahidol University Kanchanaburi Campus. On this occasion, **Dr. Tai Chong Toh**, Director of Residential Life and senior lecturer, National University of Singapore, delivered impactful lectures and connected us with government sectors and sustainable community role models.

The purpose of the SDGs MaPs Study Trip in Singapore was to inspire and guide students in advancing their SDGs projects, fostering new products, services, business solutions, and innovations that can positively impact our campuses, nearby communities, and society at large.
