Life at Salaya Campus

Salaya Campus is an Ideal campus for living and learning, a natural and evergreen environment. As the most eco-friendly University in Thailand, we care about efficient energy usage, waste & water management, green open spaces, as well as cycling lanes and a pedestrianized landscape.

About 20 kilometers away from the heart of Bangkok, Salaya is accessible through public transportation as well as the shuttle service and the Salaya Link. The campus itself is unique in its natural beauty, landscaped gardens, and lush tropical scenery. Its major landmark is the iconic Prince Mahidol Hall. Its unique design will impress visitors at first sight. Apart from being an auditorium for the commencement ceremony, the Hall serves as an orchestra hall, an opera house and conference venue.

Facilities

Transportation

Public Transportation

Transportation options in Bangkok include buses, taxis, trains, tuk-tuks, river ferries, the BTS Sky train monorail system, motorcycle taxis, vans and the subway. Although road traffic is often heavy, transportation is easy to find and inexpensive.

Airport Rail Link – SA City Line : Phyathai Station to Suvarnabhumi Station which stops at 6 stations along the way. (6:00 a.m. to midnight daily.) <http://airportraillink.railway.co.th/th/>

MRT (Subway): The Bangkok subway runs from the city's main railway station, Hua Lam-phong, under two major thoroughfares, Rama 4 Road and Ratchadaphisek Road. The route is 20 kilometers long with 18 stations and three interchange stations that connect to the Sky train. (6:00 a.m. to midnight daily.) www.bangkokmetro.co.th

BTS (Skytrain): The Bangkok Mass Transit System, commonly known as the BTS or the Skytrain. The system consists of 35 stations along two lines: the Sukhumvit Line running northwards and eastwards, terminating at Mo Chit and Samrong respectively, and the Silom Line which serves Silom and Sathon Roads, the central business district of Bangkok, terminating at National Stadium and Bang Wa. The lines interchange at Siam Station and have a combined route length of 38.7 kilometers (24.0 mi). www.bangkok-metro.co.th

Public Bus:

- Via bus application

Van No. 551 Suvarnabhumi Airport – Victory Monument (05.00 a.m. – 10.00 p.m.) (THB 40.-Throughout the route) Departure every 20 minutes

Tuk-Tuks: Thailand's famous tuk-tuks are a unique form of 3-wheeled transportation with a metal cage seating 2-3 persons built around a motorcycle-like front end. Be sure to agree on a (negotiable) fare with the driver before setting off.

Motorcycle taxis: Motorcycle taxis cost approximately the same as tuk-tuks and are generally used for short distances in areas without heavy traffic, such as a long “Soi” (in Thai: ซอย) or lane, off a larger avenue. Drivers wear distinctive colored vests and congregate at key intersections.

River Ferries: The Express River Ferry travels the Chao Phraya River from Wat Ratsingkhon in the south to Pakkred, Nonthaburi in the north. Tickets cost 15-30 Baht depending on distance (for local line boats). The boats, colored white with an orange stripe along the side, run regularly from 6:00 a.m. - 8:00 pm. During rush hours, express boats, which only stop at main piers, are also available for a slightly higher fare. Three-baht ferries also regularly cross the Chao Phraya River from many piers. Free maps of routes and pier locations are available at most main piers. The “Sathorn (Taksin) Pier” conveniently connects to BTS Sky Train Station at “Saphan Taksin”. www.chaophrayaexpressboat.com
