

A Guide to Salaya Campus

The Master Plan of Salaya Campus

The master plan is used as a guideline to develop physical structure of the Salaya Campus.

The master plan has the concept that reflects the president's determination to make Salaya Campus becomes "A promised place to live and learn with nature," and able to create graduates with the highest quality in both academically and mentally. The master plan 2008 includes development in 5 aspects: (1) landuse, (2) traffic and walkway, (3) landscape, (4) infrastructure, and (5) buildings.

Division of Physical and Environment
Office of the President, Mahidol University
999 Phuthamonthon Sai 4 Road, Salaya, Nakhon Pathom 73170, Thailand
Tel : 0-2441-4400

Salaya Statistic

1. Number of Institutions 45 Units

- Office of Mahidol University Council
- Office of the President, with 18 divisions
- Fresh Coffee Bakery & Food, located at the covered way near Faculty of Graduate Studies
- Institutes 7 units
- College 5 units
- Center 4 units

2. Population

- Day population 20,000 people
- Night population 4,500 people

3. Number of Vehicles

- Approximately 3,000 vehicles per day

4. Number of Bicycles

- Approximately 5,000 bicycles

5. Number of Parking Lots

- Part of Institutions, 27 parking lots
- Central, 5 parking lots

6. Primary Road Name, 7 Roads

- Road Chakri - Chamsani Prathan
- Phasom Thee Thai - Kanpat Mahidol
- Phunphon Pracha - Panya Phaendin
- Thin Witthayakorn

7. Secondary Road Name, 10 Roads

- Prueasng Panya - Kanayamit
- Chitta Saman - San Sathaya
- Mono Monkong - Damrong Wichai
- Song Thai Thai - Witai Dusitadi
- Withi Panya - Wichu Chuan Chon

8. Cafeterias, 7 Locations

- MU Cafeteria, behind Boon Leekwaddee (Dorm 10)

9. Restaurants, 10 Locations

- Princess Cafe, located next to Mahidol Court and Faculty of Liberal Arts
- Kuay Tiew Ma, located behind Research Institute for Languages and Cultures of Asia
- Fresh Coffee Bakery & Food, located at the covered way near Faculty of Graduate Studies
- How Nok Hook, located behind Institute of Nutrition
- Stem Steak, 2 locations: at Office of the President and at Faculty of Engineering
- Krus Dok Mai, located nearby Faculty of Environment and Resource Studies
- Ruon So Lai, located at the covered way near Faculty of Environment and Resource Studies
- The Herb Garden Restaurant, located at the 2nd floor of Salaya Pavilion Hotel
- The Little Mango Bar, located at the 6th floor of Salaya Pavilion Hotel
- Princess Cafe II, located at the ground floor, Salaya Center Building
- Set Trade, located at the first floor of Music Auditorium, College of Music
- Black Canyon Coffee, located at the first floor of Building 4, Faculty of Environment and Resource Studies
- Puff & Pie, located at the first floor of Boon Leekwaddee
- True Coffee, located inside MU Cafeteria
- Gateau House, located at the first floor of Building 4, Faculty of Environment and Resource Studies
- Thai So, located at the south side of Office of the President
- Go Fae & Non Wan, located at Faculty of Veterinary Science
- Coffee shop, located in front of Research Institute for Languages and Cultures of Asia
- Tam To Wan Restaurant, located at the ground floor of Condominium Building C

- Princess Cafe II, located at the ground floor, Salaya Center Building
- Set Trade, located at the first floor of Music Auditorium, College of Music
- Black Canyon Coffee, located at the first floor of Building 4, Faculty of Environment and Resource Studies
- Puff & Pie, located at the first floor of Boon Leekwaddee
- True Coffee, located inside MU Cafeteria
- Gateau House, located at the first floor of Building 4, Faculty of Environment and Resource Studies
- Thai So, located at the south side of Office of the President
- Go Fae & Non Wan, located at Faculty of Veterinary Science
- Coffee shop, located in front of Research Institute for Languages and Cultures of Asia
- Tam To Wan Restaurant, located at the ground floor of Condominium Building C

- Princess Cafe II, located at the ground floor, Salaya Center Building
- Set Trade, located at the first floor of Music Auditorium, College of Music
- Black Canyon Coffee, located at the first floor of Building 4, Faculty of Environment and Resource Studies
- Puff & Pie, located at the first floor of Boon Leekwaddee
- True Coffee, located inside MU Cafeteria
- Gateau House, located at the first floor of Building 4, Faculty of Environment and Resource Studies
- Thai So, located at the south side of Office of the President
- Go Fae & Non Wan, located at Faculty of Veterinary Science
- Coffee shop, located in front of Research Institute for Languages and Cultures of Asia
- Tam To Wan Restaurant, located at the ground floor of Condominium Building C

- Princess Cafe II, located at the ground floor, Salaya Center Building
- Set Trade, located at the first floor of Music Auditorium, College of Music
- Black Canyon Coffee, located at the first floor of Building 4, Faculty of Environment and Resource Studies
- Puff & Pie, located at the first floor of Boon Leekwaddee
- True Coffee, located inside MU Cafeteria
- Gateau House, located at the first floor of Building 4, Faculty of Environment and Resource Studies

1 Mahidol Main Auditorium

Mahidol Main Auditorium is a 5-floor building, along with 2-floor underground parking lot for 150 cars, with a total floor area of 31,426 m². The auditorium includes orchestra pit, stage, his/her majesty section, exhibition room, rehearsal room, performer room. The building exterior concept derives from the physical structure of plants and humans, the shape of university tree "Kangal Mahidol", and the Thai house architecture, which represents Mahidol University's strong background in medicine. The building can facilitate broad types of national and international events such as ceremonies, academic conferences and exhibitions. The building construction started in September 2009 and expects the completion in 2012.

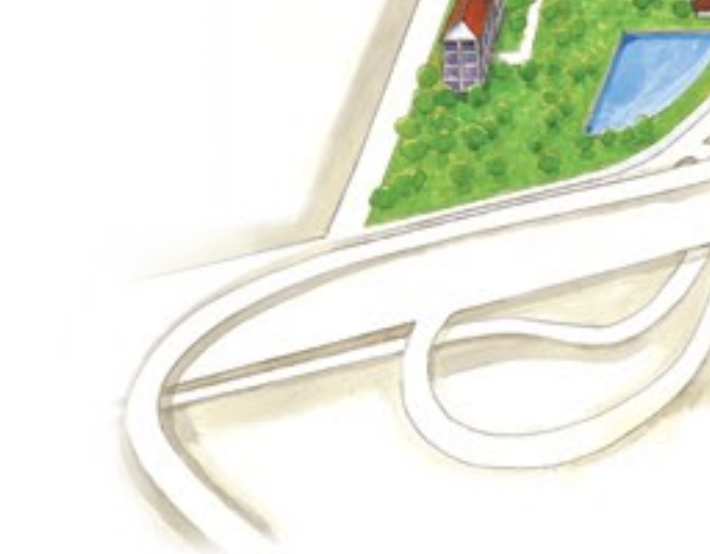

2 Somdej Phra Rajabida Court

The Somdej Phra Rajabida court covers the area of 4.6 rai (1.8 acre), connecting to ChaoFa Garden where the monument of H.R.H. Prince Mahidol of Songkla is located. The court will serve outdoor activities and ceremonies such as new student induction, student re-birth, which will create pride and admiration for the students to Mahidol University. The project is under construction and expects its completion in 2011.

3 Buddha Mahidol Mongkolvorayarn

On June 26, 1968, Professor Dr. Anu Kating, Dr. M.R. Sangri Kating and Indrasak Tramsawat gives the sandstone Buddha image to Mahidol University, located in front of Boon Leekwaddee (Dorm 3-4). The Buddha image, which has the hip width of 1.30 meter and the height of 1.85 meter, is soon become the center for all Buddhist related activities for students and staff. The covered pavilion (Sala) was built later on a Buddha's major renovation in 2003.

4 Condominiums

The condominiums are 3 reinforced-concrete buildings. Each building has 14 floors, provide over 550 monthly-leased rooms in single, double, and suite types for university students and staff. Suite rooms offer 2 bedrooms, 2 bathrooms and living rooms with necessary furniture including beds, air conditioners, closets, tables, chairs, a refrigerator, and a telephone.

5 Thai House

Mahidol Thai house consists of a complex 5 traditional Thai-style houses. There are connection porch and a river-side pavilion building in traditional central Thai style. A natural grove of "So-Kae-Lung Trees" is maintained next to the Thai houses, where local birds and wild fowls fly over head from the urban chaos. The Thai house is managed by the Research Institute for Languages and Cultures of Asia. It is open for everyone to visit and relax.

6 Organic Fertilizer Project

After the improvement of university's waste management system, a standard and hygienic garbage disposal stations are established to accumulate high amount of waste. The stations facilitate all agencies in the university as a place to compile disposal garbage for local government to collect. Four stations have been built all over the campus. The amount of organic garbage and tree wastes are separated to be resources for producing organic fertilizer, which uses low-cost anaerobic degradation anaerobic process. The obtained organic fertilizer is used for tree maintenance on the campus while the rest can be put up for sale.

7 Mahidol Learning Center

Mahidol Learning Center is a 4-floor building with a total floor area of 36,322 m². When it is completed, it will be served as a learning center, activities, and service facilities for students, staffs and visitors. The tropical architecture building, connected to ChaoFa Garden, contains H.R.H. Prince Mahidol of Songkla Biography Hall, Mahidol University Hall of Fame, Prince Mahidol Court, Center for Innovation Learning, Cafeteria, and service areas. The construction began in October 2009, and expects its completion in 2011.

8 Garbage Recycle Bank

Garbage Recycle Bank aims for environmental conservation and reducing amount of waste, which is a burden of community and society and the main cause of global warming. The solid waste separation campaign not only makes the best out of waste, but also generates extra income for students, staff and vendors in the university by recycling waste at garbage recycle bank located at Environmental Conservation Building. The garbage recycle bank will issue the passbook and value from cost of garbage. The depositor can withdraw cash directly or leave it in saving account to withdraw later.

9 Office of the President

The Office of the President is a 5-floor building, with a total floor area of 24,106 m². The building houses all divisions in the Office of the President and the Office of Mahidol University Council, two 544-seat lecture halls, computer cluster, One-Stop Service, university gift shop - The Harmony by MU, and meeting rooms. In the main hall is the statue of H.R.H. Prince Mahidol of Songkla, who is regarded as the father of modern medicine and public health of Thailand.

10 Golden Jubilee Medical Center and Maha Chakri Srinthorn Dental Hospital

Golden Jubilee Medical Center and Maha Chakri Srinthorn Dental Hospital is another medical and dental institute of Mahidol University. It was established to celebrate the occasion of His Majesty King Bhumibol Adulyadej's 50 Year Accession to the Throne. The medical center specializes in dental service, medical treatment and rehabilitation, and elderly patient care. In addition, it is advanced medical education institution for offering on the job training to residents, nurses and intern dentists. The compound includes hospital (medical center) building, in-patient building, and service building on the area of 78.6 rai (31.4 acre). In the year 1996, His Majesty the King kindly named the building as Golden
